

AMIRKABIR JOURNAL

INTERNATIONAL JOURNAL OF ELECTRICAL
AND ELECTRONICS ENGINEERING

Amirkabir / CMPT / Vol. 41 / No. 1 / Spring 2009

Since 1968

In the name of God

The Most Gracious, The Most Merciful

Amirkabir International Journal (AIJ)

The Amirkabir International Journal of Electrical & Electronics Engineering (AIJ –EE) was established in 1969 as a part of the journal known as polytechnic journal of science and technology.

AIJ- EE is published in Spring and Fall. Each volume is indexed, and is available at www.autjournal.com in both viewable and pdf formats.

Editorial Advisory Board

- 1- Abdollahzadeh Bar Fourosh, Ahmad (Professor, Computer Engineering Dept., Amirkabir University of Technology)
- 2- Abedi, Mehrdad (Professor, Electrical Engineering Dept., Amirkabir University of Technology)
- 3- Ahmadi, Majid (Professor of Electrical Engineering , University of Windsor, Canada)
- 4- Faiz, Jawad (Professor of Electrical Engineering Dept., Tehran University)
- 5- Farhangi, Shahrokh (Professor of Electrical Engineering Dept., Tehran University)
- 6- Jabehdar Maralani, P. (Professor of Electrical Engineering Dept., Tehran University)
- 7- Jamshidi, M. (Professor, University of Texas, San Antonio)
- 8- Kamarei, M. (Professor of Electrical Engineering Dept., Tehran University)
- 9- Khorasani, Khashayar (Professor of Electrical & Computer Engineering Dept., Concordia University, Canada)
- 10- Khotanzad, Alireza (Professor, Electrical Engineering Southern Methodist University ,USA)
- 11- Moallem, Mehrdad (Associate Professor of Electrical & Computer Engineering Dept, Concordia University, Canada)
- 12- Moini Mazandaran, Rouzbeh (Professor, Electrical Engineering Dept., Amirkabir University of Technology)
- 13- Motamedi, S.Ahmad (Professor, Electrical Engineering Dept., Amirkabir University of Technology)
- 14- Najarian, Siamak (Professor, Biomedical Engineering Dept., Amirkabir University of Technology)
- 15- Nasiri, Masoomeh (Professor of Electrical Engineering Dept., Shrif University)

- 16- Nikravesh, S.K.Y. (Professor, Electrical Engineering Dept., Amirkabir University of Technology)
- 17- Soltanian Zadeh, H. (Professor of Electrical Engineering Dept., Tehran University)
- 18- Talebi, Heidar Ali (Associate Professor, Electrical Engineering Dept., Amirkabir University of Technology)

Editor-In-Chief: Professor S.K.Y.Nikravesh

Address:

Amirkabir International Journal of EE

Amirkabir University of Technology, Hafez Ave., Tehran Iran, Postal Code:15914

Telefax: (+98-21-66491123) & (+98-21-64542656)

Email Address: info@autjournal.com

Contents

Amirkabir / Electrical & Electronics Engineering / Vol.41 / No.1 / Spring 2009

Title	Authors	Page number
<i>A Micropower Multi Decade Dynamic Range Current-Mode True RMS-to-DC Converter</i>	<i>Ebrahim Farshidi Sayed Masoud Sayedi</i>	<i>1</i>
<i>A Novel Subsampling Method for 3D Multimodality Medical Image Registration Based on Mutual Information</i>	<i>Maryam Zibaeifard Mohammad Rahmati</i>	<i>11</i>
<i>Development of an Analytic Model for Flux Switching Motors</i>	<i>Mohammad Mardaneh Mojtaba Mirsalim</i>	<i>21</i>
<i>Cerebrospinal Pulsation Hydrodynamics in a 2D Simulation of Brain Ventricles</i>	<i>N. Masoumi D. Bastani S. Najarian F. Farmanzad A.M. Seddighi</i>	<i>31</i>
<i>Nonlinear Modeling, Analysis and Design of an Active Antenna in S Frequency Band</i>	<i>P. Takook A. Abdipour G. Moradi A. Tavakoli</i>	<i>37</i>
<i>A Novel Active Filter for Mitigation of EMI and Other Adverse Effects of PWM Inverter-Fed AC Motor</i>	<i>Abdolreza Esmaeli</i>	<i>45</i>
<i>A Fast Localization and Feature Extraction Method Based on Wavelet Transform in Iris Recognition</i>	<i>Samira Kooshkestani Hamed Sadjedi Mohammad Pooyan</i>	<i>55</i>
